Tenuta Frescobaldi Castiglioni 2013

Toscana IGT

The rich Tenuta Frescobaldi di Castiglioni, this estate's iconic wine, is clearly in a modern key, but holds fast to the qualities of its local terroir. The labels of the bottles prior to the 2009 vintage presented the caption as "Tenuta di Castiglioni"

Climatic trend

The 2013 wine-growing year was characterised by the abundant spring rainfall, which ensured continuous freshness of the soil in the next few months. Summer in Castiglioni started in the third week of June, with maximum temperatures of over 30 degrees. The ample temperature range between day and night, which also continued in July, provided the vines with abundant vegetative growth, vital for maturation and for polyphenol accumulation in the grape skin. In mid-August the temperatures enabled a rapid and homogeneous veraison and in September the vines were in perfect condition, leading to predictions of an excellent harvest.
