Tenuta Perano 2019

Chianti Classico DOCG

Tenuta Perano is a unique estate at an altitude of 500 metres, nestled in the heart of Chianti Classico. A natural amphitheatre, with southwest exposure, ideal for capturing heat and light.

Steep slopes and stony soils characterise this particular landscape, creating healthy air movement and ideal terroir for Sangiovese. A magical land that expresses an elegant vibration and an intense note of fruit through its fine wines.
