# Terre More 2014

Maremma Toscana Cabernet DOC

Terre More, a careful blend of Cabernet Sauvignon, Merlot, Cabernet Franc, and Syrah, is a rich, intense wine that is modern in style yet eloquently expressive of the growing area it represents.

## Climatic trend

The growing season was characterised by heavy rainfall both at the end of autumn and during the winter, which contributed in keeping underground water levels well-supplied. When compared to previous years, budding began about a week late, but a favourable climate in April and May—as well as a very hot July mitigated by cooler evenings—accelerated the plants' growth, allowing for an early veraison. The grapes' ripening progressed softly due to a rainy August that lowered temperatures, resulting in a product distinguished by excellent aromatic polyphenols.

## Tasting notes

Full-bodied and brilliant, Terre More 2014 is a deep, rich scarlet colour. Quite varied to the nose, the wine reveals fruity notes of maraschino cherries, blackberries and currants that give way to spiced and balsamic notes of cinnamon and liquorish. In the mouth it is soft and enveloping and possesses a very long finish that leaves a fruity aftertaste. Tasted in February 2016.

**Wine pairing:** Grilled meats, first courses of pasta with meat sauce or tomato sauce. Four cheese pizza.
